Please attach a copy of the water calculator result for each of the house types you are claiming the discount for using the “**Print result plus all details**” option. Claims will only be considered if this form is accompanied by submitting the detailed calculations in this format.

Please return you completed claim form to:

By email: newdevelopmentwater@nwl.co.uk

By Fax: 0191 4196764

By post: Developer Services, Northumbrian Water, Northumbria House, Abbey Road, Pity Me, DH1 5FJ

I confirm that the information provided for this claim is true, complete and accurate to the best of my knowledge and belief. I understand that Northumbrian Water reserves the right to audit the validity of the information that I have provided in this claim, including carrying out physical inspections of the water fittings associated with buildings within the development.

Date		Company (please print)	

[Please see guidance below regarding waste water infrastructure charge discounts](#)

Wastewater Infrastructure Charges Discounts

You do not need to make a claim for discounts against wastewater infrastructure charges using an equivalent form to this one.

For the vast majority of new buildings, we will automatically apply any wastewater discount when you ask for the new building to be connected for its water supply. We are able to do this in cases where developers have asked us to adopt the sewers they are constructing or where they have made a sewer connection application.
