

# PRE-PLANNING ENQUIRY

## STEP 1

You submit your application on the portal.

Provide as much information as possible to help us understand your project.

We'll respond within 5 days and let you know if we have everything we need to review your application.

## STEP 2

We'll carry out our assessment.

As part of our assessment, we'll confirm the points of connection for foul and surface water, and water connection location.

You'll receive a response within 21 days from when your application becomes complete.
