

HOUSEHOLD WHOLESALE LEVEL OF CHARGES 2022/23

NORTHUMBRIAN WATER REGION

- (1) These charges will be made to households as part of their end customer retail tariffs as set out in the Northumbrian Water Household Charges Scheme. As retail competition is only available to non-household properties these charges will not be applicable to households other than in conjunction with the aforementioned end customer retail charges.
- (2) These charges are published for information purposes only and will not appear on any household bills.
